

Subject: Reminder! Please take a little time to share your views about alternate assessment!

Text Body

Dear Teacher,

On [April 19, 2006] we sent an email inviting you to take a survey on alternate assessment. To date, [33] teachers responded. If you took the survey, thank you for sharing your views. If you have not yet responded, we are contacting you with a reminder. We know this is a very busy time but we hope you will take the time to tell us what you think.

Your answers are important and a summary of the survey results will be shared with your state education agency to describe how teachers view the alternate assessment. Remember, those who complete the survey will receive a thank you worth \$25.
